“ May will be missed by so many people, she was always the most positive person. If it rained, May seemed to make the sun shine, she just was a blessing to so many. I have worked with May in Tupperware for many many years. I will miss her, as well as so many of her Tupperware family will.. I remember when I first met her, at the Tupperware office , she looked down at me and said, We belong to the best company in the world - isn't it a happy place to be, I love Rally don't you?..I replied "Oh for sure" she laughed that laugh we all loved and said boy are you short... Praying for comfort and peace to both you and Jacob and her extended family.. blessing to you Mary Foster
