“ *It is a shock to hear of Merl's passing, especially since we had originally planned to visit last week before Dad decided he couldn't ride for 2 days. He and Lois were certainly Dad's closest friends and made sure he was included in card playing and other events when he was in Ohio for the summers. Hard to believe we won't be playing pepper with him anymore. Dad mentions them daily and how he wished we were all closer. Gods speed, well done good and faithful servant. You couldn't ask for a more reliable friend.*

I had the pleasure of knowing Merl during his time volunteering at Henry County Hospital. It was always a pleasure to see his smiling face at the Welcome Center. His kindness and desire to make someone's day better was such a gift. Merl was a gift from God and I will be praying for you during this time of transition. Thank you for sharing him with us at the hospital.
