“ *Marsha, Terry, Kenny and the rest of the family: Mike and I go back a long ways. Possible 70 years or so. I really got to know Mike when we started the plant at Hisan in Findlay. Mike had 53 Benders to build that first year and all of the Higbie Jig rooms were full. Mike was always one of my hardest working men and we really found out what work was building them 53 fixtures. We had many heart to heart talks those 9 months. May he rest in Heaven with Judy. Roger B. Nagel*

“ *Dana, Matthew and families, my sympathy to you. John passed away in May and I want you to know he always considered Michael one of his favorite cousins. The cousins used to get together back in the '60's and we enjoyed that time. Peggy Norden*

“ What a wonderful soul and a great friend to work with. He could smile through a rainstorm and keep your spirits up. He was such a hard working determined man. And a Lion of inspiration to my work life.

*Fitting was our last trip together to hand dress parts during a equipment build at a tool shop near Lions Head Canada. He highly appreciated my handressing abilities but I knew I learned them all from him the master of handressing.*

*I am blessed to know him. Now he can finally be with his wife he loved her so.*

“ *I'm so sad to hear this. Mike was a great gentleman and one of the hardest workers I've ever met. I worked with Mike at HiSAN for 15 years.. It always amazed me how he could visualize in 3D when building tube benders. So many great memories!! Prayers for Mike's family.*
