“ To the Millie Bruns family,
I was so sorry to hear about the loss of Millie. She was so helpful to Dick and me when we were first married and he was working at Central Foundry in Defiance. She went out of her way to help us with paperwork and other matters. That extra effort was a Godsend to our family.
I am sure many people who worked at the foundry have similar stories about her. Please know that she remains a bright and happy memory for me.
With great sympathy, Darlene Prince

“ Millie was my neighbor on Harmony Drive. As Ron mentioned below....Millie kept an eye on the neighborhood and was always very friendly. I visited Millie a few months ago at the nursing home and am very grateful for the time I spent with her. You could tell she was in pain but she continued to fight. Thanks for the great memories Millie....you will be missed.

“ *Millie was our across the street neighbor for many years. We considered her the neighborhood watch dog. If we had a question Millie usually knew the answer. You will be missed Millie.*
