“ Tom, Dottie and Moses Family...I am so sorry about the loss of your Dad and friend. I remember meeting Gene at Chelsea and Jeff's wedding and enjoyed talking to him and your Mom so much. I can see where Tom, Chelsea and Derek inherited their well-grounded principles and values and great personalities from. I have experienced the loss of far too many beloved family members over the years and understand better than most the pain and sadness you are feeling right now. There is nothing that I can say that will make it any better. My only suggestion is to focus on the great memories as much as possible and to look closely at your family members to see the many positive qualities of Gene that live on through them. My heart goes out to all of you.##imported-begin##Art Everson##imported-end##
