“ *Jennifer & Family,*

I have fond memories of your Mom from 1969-1974. I worked with your Dad during that time and we socialized quite a bit with your folks when you were just a little girl. Your Mom was a delight to be around, always sweet & upbeat. Simply a wonderful person. Sounds like she led a very full & active life.

I know that you will miss her terribly but hold onto all the good times and memories you have of her. You now have a Special Angel.

*Sincerely,

“ Jenny, Anne and Natalie: I am so sorry to hear about the passing of your mother. I know she will be missed. I remember the days when my sister and I drove around in that bright red Corvair convertible of hers! Quite the thing back in the day, and as a young teen that I was, it was much more fun being spotted in that rather than the old huge Buick' my parents drove! She also made the best bologna salad I ever ate, still a favorite of mine and to this day, I've never been able to make it like she did! And oh my goodness, who could ever forget those beautiful dimples!! Hold on to your memories; they will help you through your sorrow. I love you all, Aunt Carol and family
