“ My condolences to Nancy's survivors. I first became her friend when she rode with me to Bowling Green classes held in Bryan OH. As a great teacher, she touched so many students in a positive way.

“ My prayers are with all of you at this time! I have such fond memories of Nancy! We were good friends in high school. I only lived in Napoleon for one year, but during that time Nancy and I were such good friends. I spent the night with her many times and I missed her when my family moved to Illinois. Over the years, we have kept in touch. I am so sorry to hear she has passed and my love goes out to your family at this time. I am sure she has touched many lives and hearts as she touched mine.
