“ My sympathy to Nilah's family. I have many fond memories of her from our days at Flower Hospital. She was hard working and had high expectations of staff when she was evening & weekend supervisor. We continued to stay in touch after her retirement & mine. She had a good heart and was a good friend. Rest with the angels now, Nilah, You will be missed.

“ Knowing Nilah in nurses training was a pleasure. Her smile often brightened many otherwise stressful days. Not many people called me by a nickname. But Nilah called me Glenna Sue. It was her own personal name for me and it always makes me smile when I think of her.
