“ We have so many great memories of Norma, and Ed also, from getting starts off her plants (raspberry) or baking soft sugar cookies, they were our girls favorite. I did get her recipe! They were the best neighbors/ friends/surrogate grandparents. Ed would give the girls a two dollar bill when they learned to ride a two wheel bike. Norma would get them a gift for Christmas and make us all the best goody plate. They were good, kind people. We think of them often and will remember fondly.
