“ So, so sorry for your loss. Just hearing of your loss of Pam. She was a very good friend when we worked at the Filling Home together. We laughed together and had many fun nights at pizza hut. She was an excellent organist. Such a caring soul. I know we will see her again someday, what a glorious day. Again, you have my sympathies.

“ I am so sorry to hear this. I knew her when I was a kid and I remember that she always had a smile on her face. She took over as organist after my mom retired from the position and she did a wonderful job. I know she will be missed by many. I am sorry for your loss.

Hugs.

“ I have many cherished memories of riding on the school bus and talking to Pam, being in high school chorus with her, sitting beside her on the bench after worship service and listening to her play the organ so beautifully, etc. She was very kind to me and I will always remember her. My deepest condolences to her family.

Love,
