“ To the Parker family - I was very sorry to hear of your loss and would like to extend my condolences to you all. Losing a loved one is never an easy thing so instead of focusing on the loss, try instead to focus on and be grateful for all the years he was a part of your life and all the memories you made together. Those memories are like a special photograph, to be tucked away and taken out occasionally to be savored, appreciated and perhaps even shared. Peace be with you.##imported-begin##Michele Rivenburg##imported-end##
