“ *We are very sorry to hear about your Patricia. Our sincere condolences go out to your family. I understand this is extremely difficult because of recently losing mom. Steve and I want to share some scriptures that give us the assurance that we will see our loved ones again.*

“Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out.” John 5: 28, 29

Isaiah 11:6-9 tells of a future where children will play with wild animals... "and no harm will come to them..."

"No more sickness or death" (Rev 21:3, 4)

This song helps me look forward to seeing them again!

“ A quick list of memories....

Walking face first into the glass door that was closed... And not even the side that opened

Cooking pizza with the plastic still on

Shouting lewd comments to Tony whenever he would go to pick her up

Retelling the story of Brian being afraid of jaws at universal studios every time she saw him

Going to grab my arms to make me clap in church but accidentally grabbing me and finding it hilarious

And always, "I love you more"
