“ Aunt Patty,
You were a warm and wonderful aunt, and so much fun to be around. Thank you for being such a great companion and travel partner to my mom, and thanks for spending your summers babysitting us in Virginia when you were in high school. I'm sure Mom is so happy to have her baby sister with her in heaven, where you can shop, travel, do crafts and play cards all day long. It was a pleasure having you visit us in Florida. You will be greatly missed.
Love,
Donna Orvis and family

“ You were a wonderful co-worker and a fun travel buddy. You were always ready to go with me on one of my day trips. From visiting the Amish in Shipshewana, Kidron, and Berlin to heading south to Cincinnati and exploring Jungle Jim's. As long as I drove you were willing to go along for the ride.

You made work interesting, exciting and fun. Thank you for always being you.

I wish your family light and love in this time of healing. May your laughter and memory live on in those who knew you.
