“ *She was my babysitter for 6 years, until I moved, yet still every summer after that I went to visit her. I miss her so much still and want to be able to talk to her just one more time. I can't believe she's gone and nothing else has made my heart hurt do much. She is a great inspiration and taught everyone to keep a smile no matter what. I don't think she fully got to serve all her time here in earth. I can only wish that one day we can meet again and relive some of the memories you gave me that I'll cherish for the the rest of my life.*

“ Pat was my care sitter for many years we had many adventures in that house and outside of it too she had such a great personality. She would brighten up anyone's day. My best memory of her was going through the garage sale section of the newspaper and taking the kids that she was watching and going garage saling.
