“ Weber Family,

*Pastor Paul was a wonderful District President! At that time he encouraged me greatly, during my long ministry at Zion, Lorain. While I never saw him again, he, apparently, spoke some kind words about me relating to what became my future pastorate in Florida. My God comfort all the survivors. In Christ, Dr. Gary C. Genzen, Pastor Emeritus, Bethany, Leesburg, Florida.*

“ Elaine and I feel extremely blessed to have shared our time with Pastor Paul and Berdina Weber. We will truly miss his handshakes and smile. He had a huge impact on everyone he met. Whenever someone finds out we are from St. Paul, Napoleon, they always ask "How's Pastor Weber doing?". May God bless his family with that comfort that only He can provide.

“ Our deepest Christian sympathy to Pastor Weber's church and biological families. He was indeed a pastors' pastor.He was kind, smiled, listened but also while sharing The Gospel firm. Now Paul rests with the Lord and Savior he served, worshipped and loved. We have fond memories from our time at Concordia, Independence, OH.

“ I first met Pastor Weber nearly 50 years ago visiting my uncle and principal, Christian Kaiser at St. Peter, Macomb, Michigan at age 12. This servant of God made an immediate impression on me and I was fortunate to continue our acquaintance as I became principal at St. John, Defiance. What a kind and compassionate man! He was always quick to ask about how my family and I were doing. As I observed him as pastor, caregiver and Ohio District President, I marveled as he handled all situations from stressful problems to joyful experiences with whatever was demanded at the time. He truly was the consummate shepherd of the flock. May I also express: Well done thou good and faithful servant.

“ I have fond memories of Pastor Weber. I was confirmed in 1973 and exactly 10 years later I got married and transferred my membership. Then..years later I met up with him at a funeral. He told the other people with me..and these are his exact words “Hey! She’s one of mine!” Never forgot it.  
I’m sure Pastor Weber has heard these words: “Well done, good and faithful servant”.

“ About a week ago I ran into Pastor at Walmart. It was so good to see him. He was a very special Pastor to our family, marrying Jerry and me 48 years ago and also baptizing our three babies. When I got home from Walmart I told Jerry about seeing him and how just giving him a hug, as I always did, I felt this very sense of divine peace and comfort like an aura around him. It was so vivid that tears came as I was sharing this most loving, peaceful feeling that our whole family had for him. Now I know that God was preparing him for his rightful crown in glory. I hope this story gives you comfort in knowing how many lives he touched and blessed. We'll keep you in all in our prayers. God Bless. In loving memory, Jerry and Pam Nagel

Pastor Weber was such a truly genuine and caring man, and such a blessing. I would often see him at Walmart, and enjoyed our many heartfelt conversations 💕. Heaven certainly gained a special Angel. You'll always be in our hearts and prayers!

*Pastor Weber has been a blessing to me and to our family since 1958, when at a Walther League Camp in Iowa, he told me to pray about being a pastor. I did. In 1965 I became a Lutheran School Teacher and in 1973 was ordained a pastor serving ever since in the Ohio District. He was a wonderful President. But more, he was a Brother and a Friend. I am sure he is praising Jesus for the opportunity to serve. I will never forget this beloved man. He blessed so many. --Pastor Don and Carolyn Weiss.*

*In my mind, Pastor Weber is the very definition of what it means to be a pastor. His love for the Lord and for the Lord's people was evident in everything he did and said. I'll never forget the day I spent with him in November of 1998 when we first came to St. John, Napoleon. As the vacancy pastor, He took me around to meet the shut-ins and to show me the neighborhood. Everywhere we went, he greeted people by name and joked with them, and they responded with obvious affection. I marveled how a man could know so many people so personally. I thank God for Pastor Weber and for the inspiration he was to me and to so may pastors in northwest Ohio and around the Ohio District! He was a gift of God! "Well done, good and faithful servant."*

*Pastor Weber was such a special minister and friend to my entire family. My dad was on the Board of Elders when Pastor Weber came to St. Paul's and a very special friendship followed. His smiling face and gentle words will be sadly missed at St. Paul's but Heaven gained a very special angel.*

*As I have been reading the comments on this wall, I couldn't help but feel what a great tribute it is to Pastor Weber that so many of us are having the exact same thoughts regarding this great man. Pastor Weber was the textbook definition of what a Pastor should be. Like all others whose lives he touched, I am better for having known him. And I thank God for bringing him into my life. "Well done, good and faithful servant."*

*Paul ordained me into the pastoral ministry on July 1, 1979, at St. Luke's Lutheran Church, south of Wauseon. As others have written, he embodied to me what a pastor ought to be. He and Birdie kept track of our family and ministry, visiting us in Boca Raton (FL) and Ann Arbor (MI). A little less than two years ago, we sat down together in Fort Wayne at a Worship Anew banquet and caught up on things. Knowing someone like Paul was a tremendous blessing, and one of the wonderful ways God blesses us on our earthly journey. I look forward to seeing him and Birdie in life eternal! God be praised!*

*During my transition into the Pastoral Ministry, he was very encouraging and helpful. He gave me a series of Bible Commentary books and even phoned me last summer as I celebrated my 15th year of ordination. He is now with His Lord in peace, "Well done, good and faithful servant." Rev. Kurt Mews*

*Pastor Paul, as my father called him in recent years, was a constant servant of the Lord. After my mother passed away 8 years ago last week, pastor became a supportive friend to my father. Pastor even made a special trip to the hospital the morning after my father surgery two weeks ago. He provided a welcome calming presence that comes from the assurance of salvation we have through our faith in Jesus Christ.*

*Pastor Paul was a very special pastor and man. After Vern and I were married we met him and Berdie as we were going into the Essen Haus in Pettisville for our wedding reception. Pastor knew both of us as he had substituted at both our churches but didn't know we had been dating. When he asked us what the occasion was and we told him we were married, he was totally surprised, but happy for us. Whenever we met after that, he reminded us of that. He never forgot a face or name and was truly interested and caring. The last time we saw him he mentioned that he was so ready to go to heaven. Rest in peace Pastor Weber.*

*I will never forget living as neighbors to Pastor and Birdie and their family. Tony and I could never have asked for better neighbors, Our boys went to St. Paul for 5 years until we moved to Defiance. During our time at " St. Paul's, Pastor brought Tony to Christ and he was confirmed by Pastor. Pastor and Birdie were their whenever we needed them and never said NO. When my Dad died, he was there to comfort me and help me through it. The last time many of us saw them was at Mark and Devrie's wedding in Fort Wayne 12 years ago. He said he had to come and make sure Mark got married. When Tony was ill he kept in touch with me. All I can say is what others are saying "Well done, good and faithful servant." My prayers are with his family.*
