“Peggy was a very close friend of mine many years back when our families were growing. Her husband Bill and my Joe worked together and we had many fun memories over the years. She was an exceptional friend always by my side helping me when Joe was sick. I can remember when she was the homecoming queen at NHS and also a vibrant cheerleader for our high school. Always a gal of integrity, compassion, and faithful friend Peggy was a dear person in every way. God will reward her for the kind person she was.
Sincerely, Jan Rastocan

“We are saddened by Peggy Jo's sudden death. Please accept our deepest sympathy. Peggy and I were best of friends in high school and we were in each other's wedding. I have many wonderful memories of our 4 years together. I am grateful that we had lunch together at Johnson's in mid September and I spoke with her on the phone since then.
Peggy Jo will forever be the beautiful 1954 Homecoming Queen of Napoleon High School.
May you rest in peace!

“ So sorry to learn of Peggy's passing. We grew up in the old neighborhood on Lombard Street and had lots of good times playing together. I also babysat you kids when your mom and dad went out. The old neighborhood family is having quite a few changes this year as my mom, Deni Parker, passed away in July. They say it is the circle of life but the finality of it all is hard to get used to. Peggy was always so nice and I loved seeing her around town. She never forgot us.

Enjoy the memories.....
