“ To the family of Sarah Peper, I am sorry for your loss. I was surprised to find out today about her passing away. We would see each other at the courthouse in Bowling Green while doing our title searches and it was always a pleasure. She had a contagious smile, a sweet disposition and a positive spirit that was infectious! I will miss her distinctive voice and our conversations of far ranging subjects. You have my sympathy. “ I am so sorry to hear of Sarah's passing. I worked with her at SVH from 1992-1995 (I was the dizzy Brit receptionist) and she was really welcoming and friendly from the moment we met. We managed to keep in touch on a rather infrequent basis and I last saw her in BG when I visited in Nov 2008. She was a lovely, warm, genuine person and will be greatly missed. “ Sarah was an upbeat and positive person, and had that unique gift of making everyone she talked to feel special. I'm sure there are so many happy memories being shared at home right now, and I am sad that I cannot be there to enjoy the stories with all the Firestones and Peper, who are like family to me. My favorite memory of Sarah over the years was in the summer of 2003 when she gave me a summer job in her office and then handed me a key to her house so that I could watch Wimbledon on my lunch breaks. She knew how special that tournament was to me each summer, and that was a typical Sarah thing to do! I would never have asked, but it was just her natural way of thinking of others that made the situation so normal! The last time I saw Sarah was at my wedding last summer, and I am so happy my husband was able to meet her. Those wedding pictures have become even more special to me!###imported-begin## Yazan And Kerri (smallwood) Darwish###imported-end##

“ Dear Mr. and Mrs. Peper and Family: I worked for Spitler Law Office in Rossford for 31 years. I left there almost 5 yrs. ago. I did not know Sarah was sick so this was such a shock. I want you to know that whenever I talked to Sarah, whether in person or on the phone, she was someone you could never forget. Her bright eyes and smile, her upbeat personality, was so contagious. She was so genuinely kind and thoughtful. Your daughter was a wonderful person who I will never forget. I have been praying for you and your family the last two days when I heard this sad news. May all her goodness flow through you when you most need it. You must all be just very special to have raised such a great girl. God Bless you all.
