“ I was blessed to have been one of the homecare nurses who cared for Phyllis. She was truly a beautiful person and joy to care for. Always a smile, a story or just a reason to laugh and make me feel welcome. She was a force in the nursing profession and I continued to learn from her experiences. We at Great Lakes Caring mourn with you all and will miss her. God Bless , and Phyllis, get your nurses cap back on, your work is not done.
