“ Daddy I miss you and love you so much. This hurts so bad. I will cherish all the memories and things you taught me over the years but I will mourn all the ones we didn't have. I will miss your face, your smile and laugh that just lit up the room. You are the most amazing dad ever and I'm glad you were mine. Love you daddy and we will see each other again with arms wide open 💖

“ I will miss my cousin deeply. He always had the Magaraci smile that lit up a room! Growing up I will never forget him playing army men. My son is 10 yrs. old and, I always told him “your second cousin Sonny loved army men too!” My heart is at ease... knowing he is with so many loved ones in heaven that he has truly missed over the years. I know it's hard on us left behind to learn to live without a loved one... I pray for his wife Sherrie, his mother, children, grandchildren, brothers, extended family and , friends to find their peace... FAITH to always remember he is gone from sight but, still very much with us. Rest easy little Sonny! I'll join you in the big hunt before too long... 🙏❤️

“ You were absolutely the most amazing father.
We will all miss you so much.
We don't only mourn the life and light that was
lost, but the future memories stolen from us.
You will forever be in our hearts.
Love you Daddy.
