“ Claude and Linda, I just now saw Thursdays paper and missed Becky's visitation. I am so sorry for your heartbreak. I loved her so much. I'll look back on our wedding pictures and remember her smile as she walked down the isle as our flower girl. May your memories of her help you through this difficult time. Debbie

“ *My Beautiful Best Friend.. I have sooo many memories I will carry with me forever.... I talked to you every single day and feel so lost now when I pick up my phone.. you took a piece of me with you and I will forever hold you in my heart.. It's been a long day without you my friend.. and I will tell you all about it when I see you again.. til then I hope you are giving them hell up there.. I love you my beautiful weirdo..
