“ *Becky was a good Democrat and was always available to help. Now she has joined another good Democrat, her brother, Charlie, in heaven. For many years Becky worked at the annual St. Augustine Dinner Auction - specializing in the silent auction. Becky could always "take charge" and I know Clete will miss her love, loyalty, and "take charge of Clete."* ”

“*Rebekah, how can I begin to say how much you will be missed. You were there when I needed a grandparent for my children, you were there when I wanted to do a fundraiser for Relay 5-K you said "let's do it", when I was diagnosed with breast cancer you were there like a mother to console me and tell me "I'm a three time survivor, your gonna beat this". You invited me to the senior center to exercise and I seen how you were a fighter, just like that you gave me perseverance to persevere against anything. As a neighbor I seen you going through such a difficult time and I knew you needed me like I needed you. So I hastened to be by your side but you hastened to be with our Lord. RIP 🕊️ Becky I will never forget what a great friend and advocate you were till your very last breath. I will miss you. ❤️🙏*

“ I first meet Becky when she would need a birthday cake made. Then i joined Relay For Life. And there she was. She was such an advocate for cancer awareness. She had gone to state many times to stand up for cancer patients and treatments. She was a cancer survivor herself. She had a heart of gold. She was one sweet lady. She will be missed by all who knew her and all of her Relay friends. We all know she’s with the Lord. Telling him to use his miracles to find that cure for cancer . RIP Becky till we meet again Love ❤️ u girl. Prayers for Clete and all her family and friends 🙏🙏
