“ *It's with fond memories and great sadness that I just took a phone call from Marlene Psenka to tell me of Dick's passing. What a kind and wonderful man he was, and such a dear, dear friend to my own parents. I remember parties at my parent's house with your bridge group, or Campbell Soup people, and would admire the pretty ladies all dressed up and the proud and handsome men that came with them. I now have that same dining table that all of you sat around, and continue those fun traditions!*

It has been fun to keep up with you both through the years, especially with our birthday/anniversary day in common. I pray for your comfort as you all move on without your dear husband and father.

My love to all of you,

“ How fortunate I was to randomly get paired to live with Margaret while at Miami University. I met not only a lifetime dear friend in Margaret but became part of a wonderful family with the Barrys. I have wonderful memories of Dick and Bob bunking our beds in MacFarland Hall only to be told by the RA we were not allowed to have bunk beds. So back to work Dick and Bob went unbunking the beds. Loved all the time I spent in Napoleon. Whatever the celebration was, I was always welcomed by the whole Barry family! Dick and Marion have every reason to be proud of the caring and compassionate family they raised!

“ Mrs. Barry, Margaret, Tim, Matt, John and family,

I am so sorry to hear about Mr. Barry. You all have certainly been in my thoughts and prayers. I know that you all have been on a long journey these past few years while also keeping the amazing and resilient Barry spirit every step of the way.

I've always enjoyed hearing about the family through Margaret and know that you all are a great team...something I've sure Mr. Barry loved as well. I hope you find peace in his peace.

*Fondly,
Michael Murray*

“ Mrs. Barry, Tim, Matt, Margaret and John ---

So sorry to hear of the passing of your husband and dad !!

Your dad was always someone I enjoyed running into when I was back home. He would always say - "Hey Kev !!!" - just like he did when I was a kid and we would chat and catch up.

I'll be thinking of all of you!

“ I always remember Uncle Dicks quiet voice and melodic laugh. When we were kids he would have one light beer in a glass of ice and it would last him all day. He was always kind and gentle. Prayers for peace and loving support during this time of grief. Love phyllis

“ Dick Barry is one of a kind. Dick and Marion always welcomed me in their home and to family events with open arms. Dick's sense of humor and enthusiasm for life made every visit a memorable one. I've always admired his strength as the patriarch of the Barry family. I know how much he will be missed by all but find solace knowing he is at peace and will forever watch over all of his loved ones. Lori J. Beier, Sarasota, Florida

“ One of the nicest guys I ever had the pleasure of meeting. He was a joy to be around, either on the golf course or at a football game. Dick made the world a better place.
