“ The Arnold's send their thoughts and prayers to the entire family at this time. Even though Frank was really my Uncle I thought of him more like my Grandfather, especially after I lost my Grandfather at an early age. I will always remember the strong man with the gentle demeanor who always took the time out of his busy life to help me learn about the family farm and the ways of the farmer. He was always patient with Mike Leader and me as we would help with the tiling in the fields or just cleaning up the manure piles. I know he would have loved for me to take another pile of manure home with me the last time I visited. I will dearly miss him as I know the entire family will. Rest in peace Uncle Frank - Love Valerie.###imported-begin###Valerie Arnold###imported-end##
