“ To my family it was when I was in preschool he would always feed me in his truck and I would always ask him which way to go and he would point backwards and we always went past this one house with horses and if they weren't there he would always say they were grocery shopping at Kroger .

“ To all of Bob's loved ones,
Growing up with Bob many years ago was always fun. We always seemed to be playing ball of some kind in the neighborhood. We played basketball in his garage, sandlot football, baseball, whiffleball, etc. We had a grand time and he was a great friend and neighborhood pal. I believe he may have been the one to coin my nickname. There is no doubt he will be greatly missed by all. My prayers are with all of you.

“ Barb and family,
Please accept my deepest sympathy on Bob's death. We worked together for many years on several different projects and Bob was always professional and a great representative for our company to the customer.
Bob was a good electrician and would take on any project that was asked of him and do it with a smile.
May God keep you in his care and comfort you.

“ I was deeply saddened to hear of Bob's passing. It was my great privilege to meet, and work with Bob a number of years ago. I always considered Bob one of the most intelligent, thoughtful, and energetic men that I have ever worked with. Although I have not seen Bob often in recent years, I will continue to consider him a friend. Please know that your family has been, and will continue to be, in my thoughts and prayers. " Roll Along" Bob, you will be missed!

“ *Barb,
Words cannot express the sadness I feel for your family. I am praying for comfort and strength that only God and your timeless memories can provide. It was so nice to visit with you at Rachel's wedding. My husband, who just met Bob for the first time said, "I can tell - that is a man with some good stories!" I am sure He is continuing to tell stories and ask deep questions in Heaven.*
