“ Robert was such a very special, kind and gentle man. When I would visit my Aunt Priscilla, I always looked forward to seeing Robert as well. Whenever, I would talk to my Aunt Priscilla on the phone, I would always ask her how Robert is doing? She would always tell me he gave her a kiss. He brightened the lives of so many people, especially Priscilla's. She loved him dearly. He will always hold a special place in our hearts. He will be missed by our entire family.
