“ I virtually have known Bob and Betty my entire life. They were there when my parents brought me home, and Bob always was so funny. Growing up across the street from them was a super treat. Great people, great neighbors, great friends. My condolences to all of the family. Judee Siber

We are very sorry for your loss. We remember your parents as really nice people. The kind that made Deshler a wonderful place to grow up. And, of course, they gave us Linda - our classmate and friend - a tremendous legacy! May God comfort you and may your memories be sweet. Al and Janie
