“ *Not here to share a memory, but, want to say: So sorry for your loss.*

I am Sharon Z., my father was Robert's 2nd cousin, unbeknownst to either of them. I did the Zöller Genealogy and Rose L. helped as well. We have one common ancestor. My DNA was sent to Ancestry.com and I tried (just lately) to find out more about Robert's great-grandmother Anna Maria Wathier-Zöller's family!

Peace,

“ To Bob's wonderful family. Imagine dad seeing what he never believe in. I see a loving God touching dad's heart just before He took him home. Now he can see what mom has seen for quite some time....together for eternity with their Saviour, Jesus. He'll look happier there than he looks in this fine picture of him. And he looks happy there.
