“ *Bobbi was a Very Great Mother and Wife. Her Children were spoiled but she loved spoiling them. She made sure there schooling was a main factor in there live's. She went way beyond a normal Mother to get her children to where thay are today. She was so in love with the fact that Beth and TJ were thought the Right thing's in life. She was very Family oriented. She loved her family so very much as they love her the same way. She was the Piece Keeper of her family. You could talk to her about anything and she Allway's gave you good advice. I'm so very sorry and sad for the Loss of her. And the Great Loss of her Mother Eva. Bobbi was a Jewel. There will never be another Beautiful Lady on this Earth Like Bobbi. She fought so hard to beat her cancer. Kim haveing the Benefit for her gave her the strength and courage to fight so hard. Then her unfortunate passing hit her Family so hard with the recent passing of her Mother and her Uncle. It's been a very hard time for the Prowant Family these last few short month's. God Bless to her whole Family. You all are in my thought's and Prayer's. I do love you all.*

“ *My sincere condolences to the family for the loss of your dear loved one. May you find comfort and hope from the Bible promise at Isaiah 25:8 that in the near future God will eliminate forever, death and the sufferings that it brings. So draw close to God (Psalms 83:18) in prayers and lean on Him as you cope during this most difficult time.*

“ *My second Mommy! She was definition of "money doesn't buy happiness" ! Even if she would be penniless, she would shurley give you the coat off her back so you wouldn't go without! She was truly selfless and had a heart of gold! Her love for her kids/ grandkids, animals, and anyone she knew..was pure and kind! She is definitely with God smiling at us knowing we loved her back! “ *Bobbie was always a great friend to me. She had that infectious smile and no matter the situation she always spoke. I caught up with her & Rick awhile back uptown & we had a good talk just like all those years ago. I will already be out of town to have Thanksgiving with my mom. However, I will not and have not forgotten about any of you. You have all had to much this year. I will keep you all in prayer as you continue to get through this difficult time. Much love to you all. Karren Blue*
