“ I've taken time to think about what I wanted to say here after the shock of hearing that you had passed away. You were truly special to me all those years ago and I've never forgotten you. Maybe I took you for granted back then and for that I'm truly sorry. I lost touch with you after I moved back to my hometown. After moving 4 years ago I did try to search you on the internet and even called a number I thought was yours. Unfortunately I'm told that wasn't your number but know my heart was in the right place!! 🙏 Had no idea that you had moved from Hamler or why. Little did I know you didn't really live that far from me and I was in that area a few times!! I must say this is a nice picture of you and you haven't changed a bit. I really wish I'd of found you before this happened. Thanks for the wonderful memories I will cherish always and one day I will see you again on the other side and we can catch up then. ❤️

“ Roger was very close to me . We shared a lot of memories over the years. After he moved to Napoleon Ohio I helped him with things he need done . He always had something funny to tell me or had something he wanted me to look at in regards to making Money..It was hard for me to convince him it was a scam. I always told him if it was that easy everyone would do it. Most of the time he agreed but there was those few time he went ahead and did it anyway.lol. I'll miss you Rog.
