“ *Roger was a great husband to my sister Dolores; father to Mark; grandfather to Matt, Kirk, and his wife Kate; and brother-in-law to L.A. and me. He got me my first union job as a meat wrapper at Chief so I could earn money for college. I remember seeing him in action at the store, always friendly and talkative—a side of him I hadn't seen at our house. There, he probably couldn't get a word in! In later years, when I had moved from the area, he helped Dolores care for Mom. Such a man may be hard to find but easy to remember. We will miss him.*
