“ Dear Dee, Dave and Reesa and family. We were so saddened to hear of your husband and Dad's death. Bob and I are out of town and unable to be there in person. We will cherish many memories but most recently that he sold us the lot to build our house. We will miss him sitting about halfway up in early service at church.

“ Our sincere sympathies to Ron's family for their loss. We always had respect for Ron's talents as builder of high quality homes. Whenever we visited Sauder's, we always visited with Ron to see his creations. We still have a wooden toy from there and our families still play with it even though they are all adults. May God's blessings be with you during this time of sorrow.

“ Saddened to hear of Ron's passing but happy that his suffering on this earth is over. I was only privileged to know Ron for a few years while working at the Village but I was one of those who benefited from his ability to listen and his desire to help where ever needed. My condolences to Dee and their family.
