“ Dear Ron,
You are the best father in law anyone could ask for. Though you never were full of words, your presence was strong. You were an amazing grandfather to our children. They love and cherish you deeply. You have always been the first to come to our aid when we needed help. I will miss you coming to our house at 8am on Saturday and Sunday mornings getting us out of bed to get projects started. Your hard work and work ethic will be instilled in us forever. You will strongly be missed at sporting events and family gatherings. We will continue to make you proud of the Rex name!
Love Kim
