“ I Only got to work with and get to know Ron for a short time. One of my favorite memories of Ron is that no matter what you needed be it a sledge hammer or a crock pot he always seemed to have it in his van. He had an amazing wealth of Automotive knowledge I miss having another mechanic around to bounce ideas off of. He is Missed!

“ Ron your going to be dearly missed by Connie and I. You truly was what a real friend is. I really enjoyed fishing at rosevalley lake with you and Roger. I'm glad to have gotten to know you even if it was only a few years. I have no idea why god always chooses the good men to be taken so early in life but until we meet again on the other side I'd like you to find that perfect fishing spot up there and I know out of the kindness in your heart you'll be more then willing to show me that perfect fishing hole. Love your friends Garrett and Connie Smith TrounRun, Pennsylvania
