“ Grandma you were everything to me. You never left my side, you stuck with me till the very end. I am glad to call you my grandma. You will always have a permanent place in my heart. I miss you everyday. I miss the video calls and the phone calls me and you had. I miss your smile and laughs. I would pick you up and in the middle of carrying you I stopped and I said hi grandma you would blush and you would smile and bury your face in my chest, or the time I introduced you to my wife. You smiled so big and you hugged me tight. I remember kissing your hand and you would blush and smile. I miss you so much. I will forever be your Jer Bear. I love you grandma forever in my heart. Fly high we will meet again. ❤️😭

“ Grandma you were everything to me. You didn't push me away like everyone else you stuck to my side. I miss you everyday, I miss the video chats we did and the phone calls. You were my friend and my family and no one can replace the bond that me and you had. I remember the day you smiled with joy when I introduced my wife to you. I knew you were happy for me. I will forever and always be your Jer Bear. Fly high grandma. We will meet again.
