“ *Sandy and Tom: We happened to go to the cemetery where Frank May, Richard's dad, is buried on Saturday (Hoy). We went up to the house where your parents lived and talked to your neighbor, Rich Ward. We found out that Aunt Laura had just passed away and where she was interred. We visited the mausoleum before we left the area. We just wanted to let you know that we were thinking of you at this time of loss. I guess this makes Richard the oldest living May at the age of 62. Your mom sure lived longer than any of her siblings and we will miss her.##imported-begin##Richard & Becky May##imported-end##*
