“ *I'm sure I speak not only for myself but for everyone in our Workout class at the YMCA in Defiance that had the pleasure of knowing Sandy. She always came in with a big smile, kind words and a very positive attitude. She sometimes joined a small group of us for lunch at various places in Defiance. Those times were always full of laughter and fun. She will be missed but never forgotten. You always remember someone like her. Deepest sympathy.

“ Sandy and Gary were my classmates at Florida High School. We made the headlines of the Northwest Signal in 1958. A quarter of our senior class of 16 were twins--Sandy and Sam and my twin brother Jim Durham and I were the twins. Although Sam & Sandy only were in our class for the senior year, we enjoyed having them. Got together with Sandy when Marty Emigh would come home from Florida. We usually would have lunch together. Sandy was a lovely lady and she had such a beautiful smile. Will miss her! Blessings! Jane Durham Hoeffel

“ Very sorry to hear of her passing. Rest assured that she now rests in the comforting arms of our Lord. I have many happy memories of riding Peppy and spending times with Gary and Sandy over the years. Gained a sister-in-law and her family in the process. Hugs to all. <3 Dave & Kelly Copeland
