“ I will never forget when your mom dropped by my home with you after you got out I was mowing my grass. You came up to me I was shocked to see you yet happy, mom waited in the vehicle. We talked for about 20 minutes I liked you so much but I knew I was older and felt I had no chance we hugged, i gave you my number then you left....had I known what path would lie ahead for you I would've never let you go and would've loved you like no one else. Though I never saw you again after that I will miss you terribly, always wishing you would've called me. Ive asked my dad if he sees you to look after you. Rest in peace you beautiful flower I'll see you in the end sincerely ROGER MOLINA

“ I loved my dear cousin Sara and will miss her terribly. It's hard to believe that she is gone. I always enjoyed seeing all of the lovely things she would post about her son Bryson. It's clear that she loved him very much. Sara was an excellent artist in high school and I always enjoyed when she would share her art work with me when I would visit. Sending my love to Uncle Mike, Aunt Sherry, Aunt Cindi, Jason, Chris, Brian, Bryson and everyone who loved Sara. Wishing everyone peace and comfort during this difficult time.
With Love,
Matt Vasko & Delphine, Abby, and Zach
