“ *I feel so blessed that Sarah and Simon visited my last summer in Palm Desert and what a beautiful couple they made. I am fortunate that I have some photos of both of them during the time we shared together. I am Simon's paternal grandmother and lovely to see him so happy with a perfect partner.*

My heart breaks for all the family, friends and relatives who will feel the loss greatly but I am sure all have such wonderful happy memories to draw on. She will be in our hearts forever.
