“ To the Family of Joanne, I am so saddened to read of Joanne's death. I first meant Joanne in the 60's when I was in High School and working as a student Aide at Wood County Hospital. She was my mentor and trained me well. I always looked up to her and she was always kind and easy to follow. I learned a lot from Joanne and I thank her to this day after retiring myself in 2006 after 30 years there. I owe a lot to Joanne for training me well. I saw her last Christmas still with that nice smile on her face and I will remember her in her pink dress wearing that smile. With sincere sympathy,
