“ You have my deepest sympathy for your loss of a great boss and friend. I had the pleasure of working with Kevin at Campell Soup before retiring in 2012. Kevin was always upbeat and always cared about not only his job but also his employees. He always had a smile on and made everyone around him feel better. He will be missed by a great number of people. What a shame to lose someone this positive at such a young age. You should be very proud of him. You and your family are in my thoughts and prayers.
