“ Teresa and family, we are so very sorry to hear about Scott's passing. I will always have such great memories of coaching with Scott! He was always positive and really pushed the girls to get better everyday. Scott impacted so many through his love of sports and really helping kids achieve their goals. He will be missed by so many and I suspect that his many players will never forget those life lessons that he shared with them while coaching.

“ So sad to hear of Scott's passing. Will remember watching him play basketball and enjoyed his competitiveness. Same as when he watched Brandon play always there to help. Had the opportunity to paint with him and Terry Burdue one summer when we worked for Tom Gerdeman. Seemed like everyday all we talked about was sports. He will be missed.

Meet Scott when I was a greeter and we greeted with the knuckle push. I was very shy at first but the greeter bought me out. Then went to fabric so saw Scott in the back. He was a great guy. What you doing today Marlene?? Then he might ask me to do something for him. He will be missed by a lot of friends, I fell for his family most of all. They are the ones you will never forget him. Have fun up there Scott and will meet you someday. R.I.P. my friend
