“ One of the things I miss most is our lunches, where we would give each other advice on situations in our lives. The Green Lantern was one of those places you enjoyed going...even though Moe would say you looked old enough to be my dad...I laughed so hard that day, but you didn't look amused 🤔

“ Sean, you were the best. It's so unfair you were taken so early from the ones who loved you. You always had a way to bring brightness to anyone's day with your positive vibes. You will forever be missed by everyone you brought happiness to. Char, my thoughts are with you & the kids right now. I hope you can all help each other heal from the pain of such a tremendous loss.

“ Sean was so nice. A real genuine soul. So very sad that he was taken so soon.
I worked with him at Lowe's. We are all going to miss him so much. During the virus, we have been so crazy busy. I asked him how he stayed so calm and cool. I'll always remember what He said.... This is nothing. I was a warden. this is cake. he was always so calm and friendly. Always had a smile. Till we meet again, my friend. We will all miss you
