“ Aunt Shirlee you were the best! You watched me when I was just three years old when my parents went away on a well-deserved vacation, you taught me how to swim in your pool over many summer vacations, and you were the best seat partner and travel companion any one could ask for on numerous international trips when I was a teenager and young adult. You always made me laugh and you were so much fun to be around! Even our last trip, which included candied bacon and ice cream for lunch, a trip to the casino, and an unlimited supply of muffins and donuts was one to remember! I love you - Rest In Peace!! “ Mom showed us how to Love by Loving , how to pray by praying , how to think of others before yourself by thinking of others before herself .

Mom was all the proof needed to know that God Loves us . Thank you Mom for always leading by example and caring for us .
