“ To the Smiddy Family (and close friends),I am the Plant Manger in the IAC Wauseon Plant, where Terry and I worked together for almost 6 years. Terry touched me in many ways; as a mentor, supporter, critic (when I needed it), and disciplinarian (also when I needed it). I will miss him for all of those reasons, and so many more. Terry brought positive attitude and spirit no matter where he went in our plant and activities together out of the plant. His work on charity projects and work related projects made all of us better. We will miss his unmistakable ability to keep us in line with a smile and a thumbs up! We will also miss his warm nature, and his ability to remind us all how important family and friends are. Our deepest sympathy go out to all of you during this time of sudden loss and sorrow.Kindest Regards,Joel Scott##imported-begin##Joel Scott##imported-end##
