“ Dad loved all of us, in a conversation we had, he spoke of writing a love letter to each of us to read after he was gone, you know what a romantic he was at times;) unfortunately he had no more strength and no more time But there was a lot of LOVE ❤️. I want you ALL to know that.FAREWELLThe sands of time are running lowAnd soon my children I must goMy heart with love for you is filledBut soon its beating must be stilled I leave no treasures of any kindOnly my love I leave behindTake it and share it between sister and brotherAnd always be kind to one another Weep not beside the grave for meDon't bring me flowers I cannot seeOnly ashes lie beneath the cold sodJust pray that my soul has gone with God Some of you perhaps may weepWhen my eyes are closed in eternal sleepBut try to remember it won't be foreverFor God can bring our spirits together I pray that I go to a world far aboveTo be with the others that I loveAnd to wait awhile on that Heavenly plainUntil the day we shall meet again.###imported-begin###Kathy (snyder) Gorski###imported-end###
