“ Tom & Vicki and family. You have been on my mind and in my heart since this horrible accident. I know some of what you are going through, although losing a child is much different than losing a spouse. It's not the proper order of things. From what I've read, and I also knew Misty from playing piano at school, she was a bubbly, happy, fun person, and I know she will be missed. Thought and prayers are with you and you family.
