“ I remember lots of sleepovers and just hanging out at your house, your dad was so sweet and caring. He used to call me one of his daughters, and I adored him so much! He was always someone I could look up to, I can't believe he's gone! I wish I could go back and talk to him one last time.. Your whole family is in my thoughts, if there's anything I can do to help please let me know. I love you.

I was sorry to learn of steven's passing. I took care of him many years ago at Toledo Hospital during his first diagnosis and I remember him as a very special man. Enjoyed joking with him many times but never got to play "canasta" with him. I'm sorry for your loss as he was a favorite of ours too.
