“ I lived next door in Deshler to the Tussings ... Paula (and her sisters) were my fond play-mates...until we moved to Wisconsin...Always remember the fun & giddy times!

“ I would like to express my sincere condolences to Paula's family. I saw her obituary in the key paper along with her picture. When I saw her picture I thought to myself hey that's Paula I wonder what wonderful thing she has done, then I realized it was her obituary. Oh what a sad sad loss this world has encountered. I knew Paula from way back when I was in my 20's (30+ yrs. ago) when she was my charge nurse at Whitehouse Country Manor. What a wonderful sweet caring and beautiful person she was, (inside and out) she touched many lives including mine. She was one of those people who came into your life and will always remain there in your heart. I am so sorry to hear of her passing. I pray for God to be with her family and friends. How lucky we all were to have known this incredible woman. She was an angel to all of us on earth now she is an angel in heaven. God Bless.##imported-begin##Barbara Jones##imported-end##

“ Hold on to the memories of such a wonderful and compassionate person as they quickly fade. Paula was such a kind and caring individual. I had the pleasure of working with her several times during our tenure as nurses. She showed deep understanding and was always available with kind words for everyone. I hadn't seen Paula for a few years but ran into her when her aunt passed away. I am so grateful for that time we had and the many pleasurable experiences I shared with Paula throughout the 23 years or so I have known her. God's blessings to all of her family.

“ Paula was a wonderful woman, and a great pleasure to be around, so loving and caring, and I could never thank her enough for the way she cared for my grandmother (Her aunt Dorothy Hill) before her passing. When I was younger and worked with her sister Pam Howe at her daycare in North Baltimore I had to get certifications Paula was the teacher of a couple of the classes. I was so nervous (being shy)and I think Paula could tell when I came into the room, she walked up to me and said its a piece of cake..and besides that you have an in with the teacher with a wink and a chuckle. She was a great person and will be missed by all her knew her.##imported-begin##Alicia (hill) Rader##imported-end##

“ Paula was my charge nurse at Whitehouse Country Manor in 1987. I admired her for her compassion and dedication she displayed especially to the elderly. I loved working under her direction and supervision. She was a true leader who taught from her heart and to this day I still speak of her to my coworkers with high regards. I was so shocked and sadden to hear of her passing. Her kind heart and soft touch will continue to watch over those who meant so much to her. God Bless her family and everyone whose life she touched. She will be dearly missed. Sincerely, Diana L. Hoffman###imported-begin###Diana L. Hoffman###imported-end##
