“ I will always remember the trips with her and dad to go see Grandma Emma. We always stopped at Cracker Barrel for breakfast. There was one time we went shopping while there and when dad and grandma went out, Sue took us back in to buy more.

I also will never forget the Thanksgiving dinner she fooled me with sweet potato pie. She told me it was pumpkin instead. I thought it tasted a little weird but didn't want to say anything. She thought it was the funniest thing.
