“ My heart hurts for you! I worked with Sue back in MAX at CCNO for years. I was the Case Manager & we shared a love for the Cleveland Indians. In fact when I retired, she gave me an Indians sign which I treasure. She was always so full of life & ready to have fun! What a tragic loss.....my prayers & hugs to all of you!

“ Can't believe my Susie is gone. I would get her laughing during briefing we would both be crying. She loved her boys talked about them all the time. We shared pics of each other's grandkids after I left the jail. She would have a tootsie pop during briefing was her breakfast. She was the best !!!

“ I worked with Sue @ CCNO until I retired in 2016. Sue was one of the nicest, most caring people I had the pleasure of working with. She always had a smile on her face and was always willing to help a non-security coworker out. Sue was well-liked and respected and will be missed. It saddened my heart to hear of her passing. Your loss is felt by many who knew Sue. Please know that you all are in our prayers.

“ *My heart is broken. Life just won't be the same. Sue was an awesome person. I have loved working with her for the almost 22 yrs we have been at the jail. She always wanted to see what craft I was doing, what was my Micheal Jackson loving grandson & his chubby "cheeked" brother up to. She brought bones for Gus the dog & stickers for my niece. She kept us informed on what her grandsons were up to through the yrs. She really loved those boys fiercely! Shes's my friend, coworker, confidant, & my look out when I was crafting at my desk haha. You leave a big hole at work. We called you Mama Sue and that's just how you'll be missed. Love you my friend.*

Dear Jack and Family, Greg and I always loved when Sue was working at the VFW. Fantastic worker, funny and fun, When Greg worked the Bar, if Susie was there she would give him a hand if he needed it. I loved her for her sense of humor and she always enjoyed a good joke. Napoleon will not be the same without her. We don't get up to Ohio anymore but want you all to know how much she was loved and will be missed.
